Jurnal Ilmiah Pendidikan Holistik (JIPH) is a peer-reviewed scientific journal that focuses on the development and dissemination of research, theory, and best practices in the field of education from a holistic perspective. The journal aims to promote a comprehensive approach to education that considers the intellectual, emotional, social, ethical, and spiritual dimensions of learners.

JIPH publishes original research articles, literature reviews, and case studies that explore innovative methods, interdisciplinary practices, and policy implications in both formal and informal educational settings. The journal welcomes contributions from academics, researchers, educators, and practitioners who are engaged in creating inclusive, transformative, and sustainable educational practices.

Published [biannually/quarterly - adjust as needed], JIPH provides a platform for scholarly dialogue on contemporary issues and emerging trends in education, especially in the context of holistic and human-centered learning.
